New Fire Line Results in West 4th Street Temporary Closure

[Duluth, MN] A contractor installing a new fire line to a residential building will result in the closure of West Fourth Street between 1st Avenue West and 2nd Avenue West beginning on Tuesday, June 23. Pedestrians should use the sidewalk on the north side of the street, as the sidewalk on the south side will be closed. The street will be closed to vehicular traffic during construction. Signs will direct traffic to detours around the perimeter of the project. The project expects to be complete by Saturday, June 27.
